

Match Play 2018 –

- Match scheduling -
 - Each round must be completed by the following dates:
 - Rd 1 – 5/5
 - Rd 2 – 6/9
 - Rd 3 – 7/14
 - Rd 4 – 8/11
 - Quarters – 9/8
 - Semis – 10/13
 - Finals – 11/17
 - There are 5 weeks between rounds. This should provide sufficient time to get each round completed. Each date was selected to minimize conflicts with TGA or CGA events.
 - It is the responsibility of the higher handicapped participant to initiate contact and get the match scheduled.
 - Once a match is completed, the winner emails results to Dave Larmour – ettaruth1@gmail.com or david.larmour1@wellsfargo.com.
 - If a match cannot be completed prior to the scheduled dates for whatever reason, then the deadline may be extended or one participant declared the winner. The decision will be at the discretion of the commissioner.
- Recommendation is to play on the Championship course Blue plates for the Gross matches and White plates for the Net matches. However, the matches are flexible. If mutually agreed upon, matches can be played anywhere, from any set of tees and can be completed in 9 hole increments.
- Net matches are played off of the most recently posted handicaps – either the 1st or 15th.
- Scores are postable, but NOT as a Tournament round.
