

**2026 Match Play brackets are ready.**

These are the original brackets, created for 2026. The brackets will be updated throughout the season as matches are played and results are provided to our match play coordinator, Keith Lester.

Please schedule the matches in a timely manner (see below) and read the FAQ document below as well.

If matches are not scheduled on time, the committee may assign a time, with a failure to show resulting in forfeiture of the match. This should not be necessary, as I have complete faith that each of you will get your matches schedule and played on schedule.

Net matches should be played at the WHITE TEES on both courses unless both parties agree to playing different tees.
