

Here you go...something to look at and celebrate, or something to help you reflect on what might have been:

Davis, Holzwarth, Norman & Vanderpoel	= 126	1 st Place
Summers, Marley, Ekstein & Lester	= 129	2 nd Place
Levine, Marovich, Miller & Evans	= 133	3 rd Place
Hurst, Jung, Gardner & Depietropaolo	= 134	4 th Place
Rockey, Crocker, Thomas & Roberts	= 134	5 th Place
Gottlieb, Wilson, Vicens & Carlson	= 136	6 th Place

They sell stuff at the Harris Teeter to help you either way. 4th and 5th were decided by a deep score card play-off. You Jung was the big winner with a 1st place and a greenie. Congrats You!

I enjoyed the bullshit session that we had on the deck at the scoring table. It reminded of the old TGA days in the Grill Room. TANGLEWOOD!!!!

Thanks for your help Brady and BJ.

Next up, what can be considered as our 1st Major. The two day Member-Member with Calcutta. I'm sure Holzie is making his plans. Some guys wear matching shirts. Some guys wear matching hats. Some guys wear matching Elton John hats, most guys don't.
